

WE SERVE ALL YOUR **BUSINESS NEEDS**

CIG Asia (Division of Capital International Group - Dubai)

CIG Asia is a regionally incorporated and wholly owned division of Capital International Group, a renowned and well established organization with diversified activities in Dubai, United Arab Emirates.

Recognising the potentiality of Asia investors interested in establishing their business associations in U.A.E, Capital International Group conceived the strategy of opening their marketing and operational offices in Asia to assist, support and channelize investors to incorporate their new business, a foreign branch of their existing Asian counterpart or a representative office. The first milestone on extending our services to Asian region is the outcome of our first Indian office in Chennai.

“ In CIG we believe in business alliance and partnership with our prospective clients. It's our humble desire to remain as the most approachable business solution center to the partners

The Management ”
